

**New Built-In Model BI-42SD
Side-by-Side with Dispenser**

Model BI-42SD offers convenient side-by-side refrigeration along with an ice and water dispenser through the refrigerator door. Sub-Zero dual refrigeration along with new air purification and water filtration systems guard the freshness of your food and water like nothing before. Framed, overlay/flush inset and stainless steel models are available. New flush inset installation allows the unit to sit flush with surrounding cabinetry.

Stainless steel Model BI-42SD shown with tubular handles.
